

4th Basel Elbow Surgery Course

15. – 16. February 2019

With Faculty from Harvard & Mayo Clinic

Instructional Course, University of Basel

Hands-on Workshop on Cadavers

COME TO BASEL, LEARN A LOT AND HAVE FUN!

PD Dr. med. Andreas Marc Müller Department of Orthopaedic Surgery University Hospital Basel, Switzerland

PD Dr. med. Claudio Rosso Shoulder and Elbow Center ARTHRO Medics. Basel. Switzerland

Dear Colleagues,

we cordially invite you to the 4th edition of our Basel Elbow Surgery Course. Elbow surgery is experiencing a constant evolvement and we are happy to present the newest techniques with accompanying talks from a world-renown faculty from all over the world (USA, NL, D, CH). The course adresses advanced techniques for established surgeons while giving you the possibility of discuss cases with the highly experienced faculty. There is plenty of room for discussion after the talks as we experienced this being an important point for you as a participant.

The course will be held at the Anatomic Institute of the University of Basel in Switzerland. The cadavers are Thiel-fixated which gives a soft and natural feeling for soft tissue procedures.

We will give insight from the simple elbow arthroscopy to complicated cases including elbow prothesis. We are happy to be able to present to you a NEW program. For the first time, you will also be able to profit just from the talks without cadaver work ("Basel light") or with "full Basel" from talks and cadaver work. We will meet for a dinner after day 1.

Basel is known for the "Art Basel" and the "Basel World". We are lucky to have an airport very close to the city.

We are looking forward to welcoming you in Basel.

Andreas Marc Müller

Claudio Rosso

Co-Course Directors

FACULTY

SCIENTIFIC COMMITTEE

PD Dr. med. Andreas Marc Müller Department of Orthopaedic Surgery, University Hospital Basel, Switzerland

PD Dr. med. Claudio Rosso Shoulder and Elbow Center ARTHRO Medics, Basel, Switzerland

FACULTY

Prof. Dr. med. Denise Eygendaal, Breda, Netherlands

Dr. med. Michael C. Glanzmann, Zurich, Switzerland

Dr. med. Boris Hollinger, Pforzheim, Germany

Prof. Dr. med. Bernhard Jost, St. Gallen, Switzerland

PD Dr. med. Andreas Lenich, Munich, Germany

Prof. Dr. Mark E. Morrey, Rochester, USA

Prof. Dr. Luke Oh, Boston, USA

Dr. med. Ulf Riede, Solothurn, Switzerland

Prof. Dr. med. Daniel Rikli, Basel, Switzerland

Dr. med. Jasna Rudez, Basel, Switzerland

Dr. med. Gregor Szöllösy, Zurich, Switzerland

KD Dr. G. Tamborrini, Basel, Switzerland

Prof. Dr. med. Roger van Riet, Antwerpen, Belgium

PD Dr. med. Kilian Wegmann, Köln, Germany

Dr. med. Thorsten Wischer, Basel, Switzerland

PROGRAM – SATURDAY, 16 FEBRUARY, 2018

Schedule	Topic	Faculty
08:00	Opening and welcome	A. Müller / C. Rosso
	Trauma around the elbow	G. Szöllösy / A. Müller
08:10	Complete and partial distal biceps rupture	R. van Riet
08:30	Coronoid fractures	M. Morrey
08:50	Fractures of the capitellum	D. Rikli
09:10	Coffee break / Industry / Transfer to lab	
	Cadaveric specimen workshop: Trauma	
09:30	Complete distal biceps rupture	R. van Riet
10:30	Coronoid and medial facet fractures	K. Wegmann
11:30	Radial head prosthesis	B. Jost
12:30	Lunch / Industry	
	Prosthetic replacement	A. Lenich / A. Müller
13:20	Treatment options in elbow osteoarthritis in the young	M. Morrey
13:40	Management of complications in TEA	B. Jost
	Case discussions	
14:00	My toughest case in fracture dislocations of the elbow	tbd
14:20	My toughest case in revision total elbow arthroplasty	tbd
15:00	Industry / Transfer to lab	
	Cadaveric specimen workshop: Prosthetic re	placement
15:10	Primary total elbow	B. Jost
16:30	Interposition arthroplasty	M. Morrey
17:50	Certificates and evaluations	A. Müller / C. Rosso
